Advertise in the publications of the American Society for Nutrition (ASN). The ASN publications, The Journal of Nutrition (JN) and The American Journal of Clinical Nutrition (AJCN) are a perfect way to advertise to research scientists, physicians, and registered dieticians in any area of nutrition. JN is the first journal created solely for publishing nutrition research. AJCN is the highest ranked, peer reviewed journal in nutrition and dietetics. Some issues are featured at high attendance meetings like the American Dietetic Association and Experimental Biology annual meetings. Recruitment and product advertising are accepted. Email ads available starting at $425 per issue. Online ad design is available. New advertising opportunities will be available soon on the ASN eNewsletter.
