Welch’s

Ideas for ASN’s Sustaining Members?
The Sustaining Members are represented in the Society by a Sustaining Member Committee. The members of this standing committee help to provide visibility within ASN to matters of interest to industry by exchanging ideas and providing support for the society’s activities.

Interested in Adding Your Support to the Society?
Your unrestricted contribution is used to support programs and awards that help the association fulfill its mission: to be the leading nutrition research society dedicated to improving the health of individuals and populations worldwide.

For more information, please visit www.nutrition.org/industry

Advance in the publications of the American Society for Nutrition (ASN). ASN publications include:
• The Journal of Nutrition (JN)
• The American Journal of Clinical Nutrition (AJCN)
• Advances in Nutrition (AN)—NEW
• e-Newsletters

Advertising Benefits
• Direct link to leading international research scientists, physicians, and registered dietitians in any area of nutrition.
• JN is the first journal created solely for publishing nutrition research and AJCN is the highest ranked, peer reviewed journal in nutrition and dietetics. And AN is positioned to be a prestigious, high-profile online-only review publication.
• Some issues featured at high attendance meetings like the American Dietetic Association and Experimental Biology annual meetings.
• Product and recruitment advertising are accepted. Email ads and print/online ad design are available.

CONTACT FASEB AdNet at 301-634-7103 or email adnet@faseb.org for an ad estimate.
View ASN rate card and full media kit at www.faseb.org/adnet.
