Permission to Republish Copyrighted Content in Advances in Nutrition (AN)

Copyrighted material must be clearly identified and copyright ownership must be acknowledged within the manuscript text. Citation to the original publication or appropriate credit will be published.

**Requirement**: Authors using previously published tables or figures must properly acknowledge the original source. The authors will obtain and include with the manuscript written permission for the use of any tables or figures that are copyrighted and owned by third parties.

Failure to provide the required permissions in a timely and accurate fashion might delay publication of the paper. Supplement/symposium organizers could be billed an administrative fee of $75 per permission, in addition to any fees assessed by the copyright owners if it becomes necessary for AN to obtain permission.

**Publishers may require the following information when you request permission to reuse material for which they hold copyright:**
